EXPERIENCE
6.56 Years

A happy go lucky person, who likes traveling to & exploring new countries. Animesh likes the company of his friends and people with whom he can share some words of wisdom. He has a love for music, he loves to listen & feel on how different instruments together make it full of life. Ahaa, though he loves music a lot, you will never find him shaking a leg to it, he is not Dance to the tune person. Though it sounds so simple, but hard to achieve for many, Animesh wishes to live a happy life to its fullest!
