

Girish Tanwani
Analyst Programmer

AVAILABILITY
DECEMBER

EXPERIENCE
10.88 Years

We have MICKEY MOUSE in house! Girish love to mimic Mickey & dance with children, and children love him for that. His company is loved not only because of his mimicry skills, but because he knows how to satisfy people’s taste buds too. Girish is a wonderful chef & wishes to open his own restaurant someday, he keeps learning new recipes from YouTube and adds his own hint to it. He is fond of sufi music, and loves to play his keyboard whenever he gets time.
