Jainesh is a simple, honest and a slightly shy personality. His ambition is to be a scrum master. He believes in peace and honesty. He keeps an honest and positive approach towards his works as well as in life, and is ever-ready to accept new challenges. He wishes to have his own house someday. He loves travelling and exploring new places, and is into adventurous sports. He is also an avid cricketer and is a part of the Gateway Cricket team. In his ME time, he likes to listen to music and go for long drives with his family.
