Rutul S. Mehta
Software Engineer

AVAILABILITY
SEPTEMBER

EXPERIENCE
3.28 Years

This is the editors section ;) Rutul finds great pleasure in editing videos. He also has his love for learning new technologies. He loves being around with friends & loves to get into a funny banter with them. His friends love his bantering because he serves it along with delicious food, as he has a chef hidden inside as well. Rutul wishes to start his own business someday.
