

Sukhpreet Ahluwalia

Sr. Analyst Programmer

AVAILABILITY
NOVEMBER

EXPERIENCE
12.62 Years

Sukhpreet is a very enthusiastic & a fun loving person. He loves to interact with people & know about them. He loves to keep himself always up to date with the latest trends & technologies he also likes watching cricket matches. One thing that gets on his nerves is indiscipline, as he feels it messes things for self & others as well. Sukhpreet wants to start an NGO or be a part of one to help the specially abled people live a normal life.
